

## Short biography

### Mohammed F. Al Marjani

**Specialization:** Microbiology / Molecular biology

**Academic degree:** Professor in Department of Biology, College of Science, Mustansiriyah University, Iraq

**Current field of Interest :** Interest in Genetics field and Molecular Biology , Multi drug resistance of Bacteria

**Ph.D. Microbial Genetics (2005),** College of Science , Mustansiriyah University. Iraq

**M.Sc . Microbiology (2000),** College of Science , Mustansiriyah University. Iraq

**B.Sc. Microbiology (1996),** College of Science , Mustansiriyah University. Iraq.

**Editor in Chief of Al-Mustansiriyah Journal of Science (2017-2019)**

**Dean of college of science, Mustansiriyah University** from 2019 to present

**Membership :** Iraqi Society for Molecular Biology and Genetics , Al Nahrain International Society of Iraqi Scientists, Iraqi center of innovation and creativity.

## **Edited Books**

- १) **Antibiotic (in 2011)**
- २) **Pathogenic bacteria (in 2012)**
- ३) **Bacterial toxins (in 2012)**
- ४) **Short Course in Bacterial Genetics (2015)**
- ०) **Biofilms (2017)**
